Sources biblio/bio, articles, divers.

Mark R. Lewis is a professional staff member on the U.S. House of Representative's Committee on Armed Services, where he works national military policy, defense transformation, joint professional military education, and readiness issues. Prior to this position, he was a Research Staff Member at the Institute for Defense Analyses, in the Strategy, Forces, and Resources division. There, he participated in integrated, interdisciplinary studies of defense planning and policy related to national security strategy, structure, and capabilities of U.S. and foreign forces, and infrastructure supporting U.S. forces.

Mark served 11 years on active duty with the U.S. Army, in infantry and special operations (Ranger) assignments. He holds a BS in the Russian language from Georgetown University and a Masters of Arts in National Security Studies from Georgetown's Edmund A. Walsh School of Foreign Service. He has published articles in Infantry Magazine, Parameters, Joint Force Quarterly, and Armed Forces & Society.
