*Lobbyist Juliet Pacquing collected \$60,000 last year from Rhode Island manufacturer TPI Composites, lobbying disclosure forms show. Her husband, Kevin Cook, is the top staffer for the House Appropriations subcommittee on energy and water, chaired by Rep. Dave Hobson, R-Ohio. In news releases, Hobson took credit for securing money for TPI to develop an Army vehicle similar to the Humvee but with lighter materials. The total: \$4.5 million. Hobson said Pacquing's relationship did not influence him.
